

COOLMOBILE 21

COOLMOBILE 25

Practical, flexible and easy to use. All you need is an electrical outlet to cool exactly where you need it. Coolmobile is the most mobile climate control unit. This absolute cooling performance on wheels is ideal for a wide range of applications: from small rooms to large halls, along production lines and directed to special workplaces, next to heat sources and directly on sensitive equipment.

Applications

- Electronic-, computer-and server rooms, factories and workplaces.
- Professional kitchens.
- Party tents and halls.

Features

- The tubes are optionally extendable by 3 meters each, up to a maximum length of 9-12 meters.
- Suitable for 230V / 50Hz.

Working principal

- **Everything under control**
Thanks to the Digital Climate Control you adjust the Coolmobile temperature between 1°C and 31°C ! The device has a practical timer, turns itself on and off automatically and works fully automatic.
- **Targeted cooling**
With the flexible tubes of the Coolmobile you ensure that the powerful stream of cool air is guided directly to the right place. The tubes are optionally extendable with flexible tubes by 3 meters each, up to a maximum length of 9-12 meters.
- **Various settings**
Thanks to the Airflow Control, you can easily regulate the airflow coming from the pipes.
- **Automatic fan**
As the temperature of the outflowing air increases, the fan turns automatically faster.
- **Optional exhaust hose**
On the fan, you can easily install an exhaust hose that draws the air outside or into your existing exhaust system.

TECHNICAL SPECIFICATIONS | DIMENSIONS AND WEIGHTS

	COOLMOBILE 21	COOLMOBILE 25
Productnumber	56.021.000	56.025.000
Cooling capacity / Kw	6,15	7,32
Airflow m ³ / hr	11,5 - 10	10,5 - 8,5
Connection / V / Hz	230 / 50	230 / 50
Starting current / A	45	57
Operating current / A	11	13
Power consumption / Kw	2,41	2,6
Airfilter	Aluminum and carbon	Aluminum and carbon
Max. Static pressure / mm	30	30
WG ΔT °C	10 - 12	10 - 15
Room size max./ m ²	49	58
Dimensions (WxHxL) / mm	490 x 1303 x 600	490 x 1303 x 600
Weight / Kg	86	90
Outlet	2 x 125 mm	3 x 125 mm
Max. Tube length / m	9	12
Connection cable / m	3	3

ACCESSORIES

Outlet for hot air transport hose	56.016.046
Hot air transport hose 5 mtr	56.016.048
Cold air transport hose 3 mtr	56.016.044
Flange for cold air transport hose	56.016.045
